Dear ██████████,

**Information request**

**Reference number:** FOI2017/00569

Thank you for your request of 5<sup>th</sup> May 2017. You requested the following information:

*“May i please request the status of the signalling scheme still/currently in use, are there any semaphore signals still in use and how many signal boxes are saved/and or listed along the route”*

I have processed your request under the terms of the Freedom of Information Act 2000 (FOIA).

I can confirm that we hold the information you requested.

Colleagues within the organisation have explained that the NuGen Cumbrian Coast enhancement scheme is currently on hold. This means that all the existing semaphore signals are currently in use, and while the scheme is on hold there are no plans to change them. It also means that all signal boxes are planned to be retained while the scheme is on hold.

I hope you find this response useful if you have any enquiries about this response, please contact me in the first instance at [FOI@networkrail.co.uk](mailto:FOI@networkrail.co.uk) or on 01908 782405. Details of your appeal rights are below.

Please remember to quote the reference number at the top of this letter in all future communications.

Yours sincerely

Robert Malcolm  
Information Officer
