Dear

Information request
Reference number: FOI2017/01201

Thank you for your request of 15 October 2017. You requested the following information:

'Please can you provide a list of footpaths, open to the public, which cross rail lines in Scotland (except road level crossings)? Please say whether each crossing is controlled in any way. Please provide either a diagram/map of each if possible, or a grid reference if not.'

I have processed your request under the terms of the Freedom of Information Act 2000 (FOIA).

I can confirm that we hold some of the information you requested. Please find attached a spreadsheet of footpath crossings in Scotland which are open to the public, along with latitude and longitude coordinates and current protection and control arrangements.

I understand that grid references for the crossings are accessible via this website:

<http://abcrailwayguide.uk/scotland>

You may like to know that we publish a spreadsheet of all level crossings on the railway network, which contains more detailed information for each crossing:

<http://archive.nr.co.uk/WorkArea/DownloadAsset.aspx?id=30064797432>

If you have any enquiries about this response, please contact me in the first instance at FOI@networkrail.co.uk or on 01908 782405. Details of your appeal rights are below.

Please remember to quote the reference number at the top of this letter in all future communications.

Yours sincerely

Colin Bendall
